OUR COMPANY

Information Communication Technology

2

- **ICT CONVERGENCE LIMITED** is a wholly owned Nigerian company incorporated in 2004 to provide service excellence in the field of information and communication technology [data, voice, and/or internet protocol] in our ever changing world.
- The drive to achieve service excellence motivates us to constantly strive to offer world-class telecommunication solutions to industry leaders who have come to rely on our association with major manufacturers, viz:

AVAYA, MATRIX, MEDIATRIX, MULTISUNS, RADWIN, D-LINK, COMMSCOPE, SYSTIMAX, GILAT, TOTAL RECALL, FORUM COMMUNICATIONS, VIDICODE, REXTRON, etc.

- On our team are trained engineers and technocrats with experience in the fields of system design, engineering, consultancy and telecommunication management.

OUR MISSION

Information Communication Technology

3

- **To provide efficient and cost-effective telecommunication solutions [data, voice, and/or internet protocol] to leading companies within the ECOWAS sub-region.**
